Calling all the enthusiastic and avid travelers to explore the unique world of 'I Love Bell Bottoms'! The 70's and 80's were colourful and beautiful and that magical world has been splendidly recreated at this boutique hotel in Goa. Everything here has been thoughtfully decorated with handpicked props, colours and artifacts that take you down the memory lane. The serene Vagator beach is at a stone's throw and the Sunburn venue is just few meters away. 'Life is beautiful' and its meant to be celebrated which is why we offer unique experiences to pamper you and make you fall in love with it once again. The hotel is home to a spa, outdoor swimming pool, bar, fitness centre and a lot more other facilities to make you forget all your worries!
